Architectural floor plan of the first floor of the El Fwajia Police Station. The plan shows a large central area with a grid of rooms, likely offices or interrogation rooms, arranged around a central corridor or staircase area. The layout includes several smaller rooms, possibly for storage or administrative use, and a large open area on the right side. The plan is detailed with room numbers and structural elements like walls and doors.

This architectural drawing shows a section of a building facade. It features a grid of windows, each with a decorative pattern of dashed lines. The facade is divided into several vertical sections by columns of windows. To the right of the main window grid, there are three vertical rectangular panels. The drawing is labeled 'ELEWACJA POŁUDNIOWA 1:100' in the top right corner.

Architectural drawing of the east facade (Elewacja wschodnia) of a building. The drawing shows a multi-story structure with a complex arrangement of windows and a staircase on the right side. The facade is divided into several sections by vertical and horizontal lines. The windows are depicted with dashed lines indicating their internal structure. The staircase is located on the right side of the facade, with a landing area. The drawing is a technical representation of the building's exterior, showing the layout and proportions of the various elements.

This architectural drawing shows a section of a building facade. It features a series of windows arranged in a grid. The windows are depicted with diagonal lines indicating panes. To the right of the main window grid, there is a small square detail. The drawing is composed of several rectangular blocks, some of which are shaded with a stippled pattern.

This architectural drawing shows a section of a building facade. The main facade consists of two rows of windows. The upper row has four window units, each containing three vertical panes. The lower row also has four window units, each containing three vertical panes. To the right of the main facade, there is a smaller, separate section with a single window unit containing three vertical panes. The drawing uses dashed lines to indicate the internal structure of the window panes.

This architectural floor plan shows the layout of the first floor. It features a large central rectangular area, likely a hall or common room, surrounded by a thick border. To the left of this central area is a smaller room containing a window with multiple panes. Further to the left, on the outer wall, is a small square opening, possibly a door or a niche. The plan is drawn with simple lines and shading to indicate walls and furniture placement.
